Mashall Ever

8 Ball Clown

## MITZY'S PARTY

Ext. Late afternoon

Mitzy's dad was the security guard at the tv station - he was killed by 8 Ball and Jolly Pop - who then find all of the birthday items and decide they can come and entertain the group. So it starts off with them entertaining as clowns and takes a turn for the worse.

There is a group of people gathered in the back yard of a house, several children as well as adults. There is a table setup with food, drinks, and cake. There are some balloons around and everyone is just kind of mingling.

There is a projector setup with a sheet and it's playing a movie (this is not a requirement) - the movie is 8 Ball Clown.

You hear a loud commotion and then the gate to the yard opens and two clowns enter. One is playing a saxophone very horribly and the other is throwing sparkles in the air, they have sparklers, balloons, confetti.

8 Ball sets a bag down - it's the bag from the scene where Mitzy's dad dies - the bag has his phone in it along with syringes and other drugs.

JOLLY POP

Dances around hysterically as he plays the saxophone, screeching horribly

8 BALL

throws the confetti and other things in the air as a celebration. He dances around in an entertaining way

THE CROWD

Just looks at them in "like what the fuck is going on"

NELSON

Blame that one on your dad

MITZY

I hate clowns!

THE CROWD

Everyone is ok and laughing, the kids get excited about the clowns and gather around

(CONTINUED)

8 BALL

entertains the children, tries to blow up balloons, but he can't it's just an epic fail

(just ad-lib here to do some entertaining sort of things - mainly B roll video)

THE CROWD

Kids are really excited and some of the adults are getting into the clown act and enjoying it even though it's horrible, Mitzy does not like it.

8 BALL

to Mitzy

How old are you today princess

MITZY

I'm not a princess you fucking idiot!

8 BALL

becomes a little upset  
Oh, you will be

Laughs happily, but laugh turns a little sinister

SHOOTING UP UNCLE SAM

INT. In the bathroom,

the bathroom door opens and there is a man dressed as uncle sam He jumps when he opens the door as he's a bit startled by Jolly Pop

UNCLE SAM

Damn, you scared the hell out of me. Creepy ass little fucker.

JOLLY POP

stands in his way, does not say anything, just looks at him, pissed off

UNCLE SAM

yeah, you're kind of in my way

(CONTINUED)

JOLLY POP

stands his ground and does not move, just stares at Troy

UNCLE SAM

seriously, this is getting a little  
creepy. Look how about you just get  
out of the way

JOLLY POP

stands his ground, just stares at the man

UNCLE SAM

alright, I see, this is some sort  
of joke or something.

JOLLY POP

laughs and jams a syringe into Uncle Sam

UNCLE SAM

stumbles back into the bathroom, and down to the floor.

JOLLY POP

it's a tea party bitch, and I just  
paid my taxes

UNCLE SAM

is still somewhat conscious, but incapacitated, he really  
can't do anything, he looks scared freaked out not knowing  
what the hell is going on

JOLLY POP

draws a smile on his face

closed the bathroom door

MITZY PRINCESS

8 Ball and Jolly Pop are still entertaining, Mitzy goes away  
from them as she is pissed, she is on her phone trying to  
call her dad

She hears the phone ringing

Mitzy

(CONTINUED)

pissed off, slightly away from the crowd, she pulls out her phone to call her dad, but she hears a phone ringing and it's coming from the present bag that 8 Ball and Jolly Pop brought to the party, she walks over to the bag hearing the ringing and when she hangs up the phone stops ringing, she then looks in the bag and sees the card, cupcakes and her dad's phone with blood on it. plus all the syringes. She is kind of freaked out when suddenly a hand lands on her shoulder

8 Ball and Jolly Pop surround her and 8 Ball has his hand on her shoulder

JOLLY POP

shows her the gun  
he does a SHHHHHH with his finger

If you make any sounds, I kill  
everyone, you don't want these  
happy people to die

ANITA SHOWS AT PARTY

ext. night time

There is a party for Mitzy - she is the daughter of the security guard at the tv station and Anita shows up at the party.

The clowns have been entertaining for a while and the party has been kind of unsuccessful.

There are two alternatives here one in which Anita shows and one in which she does not

GAVIN

If it isn't Anita Foster herself!  
Guess you came to interview us

ANITA

Eh, probably not, I'm here for the  
birthday girl

MITZY

comes up to Anita and gives her a hug  
Thanks for coming Mrs. Anita; have  
you seen my dad?

(CONTINUED)

ANITA

He probably stopped by the bakery,  
you know how he is

The camera moves away over to 8 Ball and Jolly Pop. You can see Anita and the others in the background having a conversation and laughing, etc.

8 BALL

Jolly this is going to be an  
exciting night.

JOLLY POP

Zombies?

8 BALL

Not zombies you idiot, Anita Foster  
just dropped in on us (turns anger  
face) and oh is she gonna pay

ZOMBIE ATTACK

8 ball and jolly pop are entertaining some kids and other  
people at the party.

you see a group of people in the background

either one or two men exit the house, one is wearing an  
Uncle Sam costume, they are kind of out of it like zombies,  
well because they are zombies, but everyone just thinks they  
are drunk off their asses.

JOLLY POP

sees the zombies

Oh, this is going to be fun

8 BALL

Jolly what the fuck did you do?

JOLLY POP

What's a party without zombies. I  
call that one Rob Zombie,  
motherfucker always robbing us of  
our money.

UNCLE SAM

stumbles around kind of in a drunken drugged up daze, he  
bumps into people, then grabs one of the women at the party

(CONTINUED)

ABBY

What the fuck, get off me you drunk  
bastard

tries to push him away

UNCLE SAM

bites Abby, growls crazily

ABBY

knocks uncle sam to the ground and beats him up a bit

People from the party gather around to see what is going on  
and to stop it

MATT LAKE

Just sits back, drinking scotch and smiling, sits down in a  
chair to watch

Finally a fun party

GAVIN

goes over to break it up

Come on Abby, that's enough, let  
him sleep it off

UNCLE SAM

Grabs Gavin's leg and bites it

GAVIN

screams Ouch

Mother fucker just bit me

ABBY

gives Uncle Sam a knockout kick to the head  
fucking asshole

she starts to stumble a bit and transform to a zombie

GAVIN

Also starts to show signs of turning

ERIK MYERS

Comes over to help Abby  
You alright

ABBY

growls, grabs him, throws him to the ground and Abby and Gavin proceed to tear him apart, pulling out his guts, but the funny thing is that Matt Lake, who is not a zombie comes over and pulls out the guts and holds them into the air

MATT LAKE

Now that's Weird Maryland

Throws down the guts while chaos ensues, he sits back in his chair and continues to watch, just drinking scotch. During the rest of the scene, he just sits there drinking scotch

ZOMBIE CRAZE

This is all unscripted - the party turns to complete chaos as the zombies infect the rest of the people,

Mitzy - she gets bit, and there is blood on her dress, but she escapes through the back fence gate into the woods - her death scene will be filmed at a later date.

If Anita is at the party, then she will be taken by 8 Ball and Jolly Pop. They will tie her up to kill her later.

8 Ball and Jolly Pop will have guns, knives, and other weapons to kill the zombies.

at some point 8 Ball encounters Matt Lake, but he just sits down with him and drinks a glass of scotch, while you see Jolly Pop in the background killing off zombies.

After all of the zombies are dead, all that is left is Anita who is tied up in the shed, Mitzy who escaped into the woods, and Matt Lake

TAKING ANITA TO THE SHED

JOLLY POP

Holding out the balloons and kind of mad/sad  
Do you want a Balloon?

ANITA

no, get away from me, what the hell  
is going on

JOLLY POP

You should have taken the balloons!

(CONTINUED)

ANITA

screams when 8 Ball grabs her, but he has his hand over her mouth, she fights for a bit

8 BALL

grabs anita from behind covering her mouth and laughing,  
 Anita Foster, seen any clowns  
 lately? Parents be careful,  
 hahahah(laughs) guess you weren't  
 careful enough were you?

JOLLY POP

opens the door to the shed, you can see zombies in  
 the background, people screaming, etc.

they take Anita into the shed - the door closes and quick  
 shot back to people attacking each other, turning into  
 zombies, the zombies eventually go towards the shed - oddly  
 enough they ignore Matt Lake

Inside of the shed, Anita is either handcuffed to tied up

JOLLY POP

stands there with a syringe

8 BALL

it was so rude of you not to take  
 the balloons, you really upset  
 Jolly Pop. He just wanted to make  
 you happy. Now you my Brown Sugar  
 you are going to get fucked by a  
 Mexican Horse.(crazy laugh) And you  
 are going to float and float and  
 float (

JOLLY POP

squirts out a little heroin or whatever is in the syringe  
 Ha ha ha, you should have taken the  
 balloons

8 BALL

I've got some bad news for you  
 sunshine

JOLLY POP

you don't look happy,

(CONTINUED)

ANITA

what?

JOLLY POP

you should have taken the balloon

ANITA

what do you want from me

8 Ball and Jolly Pop together

8 BALL

We want you to be HAPPY!

JOLLY POP

We want you to be HAPPY!

8 BALL

my magic hat please

JOLLY POP

hands the magic hat to 8 ball

8 BALL

pulls out an 8 ball from the hat

what to do with you, hmmm, I wonder  
what the magic 8 ball would want me  
to do?

ANITA

get out get out of here, leave me  
alone

JOLLY POP

points a gun at her and shushes her

shhhhhh! or I'll splatter your  
brains all over

ANITA

please leave me alone, please, I  
have children, please, no

JOLLY POP

children? I love playing games with  
children - where are they? (really  
excited)

ANITA

No!

8 BALL

gets close to her wielding a syringe he pulled out of the magic hat

there are clowns in Patterson Park,  
there are clowns in the inner  
harbor, there are clowns, there are  
clowns, there are clowns everywhere

(laughs hysterically)

keep you kids safe?

oh, that was great advice, keep  
your kids safe from clowns?  
seriously in this fucked up city?  
How many people have been killed so  
far this year, 300 350? how many  
are too many? It's never enough. I  
have killed my fair share, but  
Baltimore, wow, it's killed a lot  
more than I ever have and it's  
never going to stop is it?

ANITA

no and yes it's truly sad

JOLLY POP

holds up two syringes

Carfentanly or Krokodile?

ANITA

goes into a begging/pleading mode during this

8 BALL

you choose Jolly

JOLLY POP

hands him the syringe with Carfentanyl

8 BALL

now it's time for Anita Foster to  
sign off

Grabs her arm and shoots her up and she dies

it takes a while for her to die, while she is dying, choking  
on vomit, etc. 8 ball goes on a slight rant.

(CONTINUED)

JOLLY POP  
she doesn't look happy

goes over and puts a smile on her face with red makeup -  
there, that's a little better

8 BALL  
Heroin, oh heroin can be one dirty  
bitch, taking down a whole city,  
destroying society and making them  
all mad, leaning, oh how they lean,  
bunch of zombies if you ask me,  
unclean needles spreading their  
disease, infecting the babies, and  
destroying all there is to life,  
taking away all of the joy, the  
happiness that I try to bring.  
Happy or not this show has come to  
an end. Enjoy your trip Anita  
Foster.

hands 8 Ball the syringe

8 BALL

and 8 Ball shoots her up

you head pounding on the shed and growling, it's the zombies  
at the shed door.

JOLLY POP  
Oh fun, zombies

8 BALL  
We'll be back for you Anita, oh  
it's going to be one hell of a  
party

JOLLY POP  
look an ax

8 BALL  
we got to go kill some zombies

They pull out a chain saw, ax, and other weapons

POV Anita looking out window of the shed, you see 8 Ball and  
Jolly killing some of the zombies, she is drugged up and  
can't get away, but does struggle a bit.

the chain saw is at her legs, as it was an electric chain  
saw so they couldn't use it.

This feeds back into Matt Lake in the earlier section

## DECISIONS

this depends on if Anita shows up

Matt Lake and 8 Ball are drinking scotch, Jolly Just finished off the last of the zombies. the dialog will change a bit if Anita is not here

8 BALL

Can you keep an eye on the shed,  
make sure Anita doesn't escape, we  
got to go find that little  
princess, it's her birthday after  
all

MATT LAKE

Cheers - they clink glasses drink, and 8 Ball and Jolly Pop head out of the fence

That is a cut there for tonight

## KILLING ANITA

8 Ball and Jolly Pop went into the woods to find the girl

MATT LAKE

Gets up and walks over to the shed, opens the door

Anita is in there kind of groggy from being drugged up

ANITA

Help me

MATT LAKE

Sees the chain saw, picks it up, looks at her, then exits the building

I'll be back

he goes out into the yard and grabs an extension cord that is plugged in, plugs in the chain saw and revs it up and heads back into the shed

He opens the door

MATT LAKE

I'm Back (says this in a creepy  
voice)

(CONTINUED)

you hear the chain saw rev up and Anita screams, blood splatters on the window inside the shed as you hear Matt Cutting her up with the chain saw.

After a few moments he exits with blood splattered on him, he simply walks back over to his chair, sits down and pours another glass of scotch, the camera moves in macro and goes out of focus with the glass of scotch to his mouth
